

MAVStepper™ Electronic Gaming Machine

PARTS MANUAL

This manual provides serviceable parts, photographs, and illustrations for the electronic gaming machine (EGM) described in this manual. Machine installation, service, and repair must be conducted by licensed technicians.

Proprietary Copyright Notice

This document is intended for the sole use of Aristocrat® Technologies, Inc. (ATI), its parents, affiliates and subsidiaries. This document may also be used by development partners of ATI who have an ATI approved and fully-executed Non-Disclosure Agreement (NDA). This document, in whole or in part, may be provided to gaming regulatory agencies or attorneys as an evaluation and/or information tool.

Functional specifications are not to be distributed, in whole or in part, to ATI customers or potential customers without prior written approval from ATI Legal.

The information contained in this document is proprietary, confidential, and protected by copyright and the license agreement. The material contained herein constitutes in whole or in part trade secrets of ATI, and must remain confidential. No part of it may be copied, reproduced or disseminated by anyone, in any form or by any means, in any media, except in accordance with the license agreement. ATI reserves all rights in the materials or other work described in these documents. Any violation of these prohibitions may result in revocation or other limitation of the license agreement, or legal prosecution, as appropriate.

While all responsible efforts have been made to ensure the accuracy of the information contained in this document, ATI assumes no responsibility and disclaims all liability for any errors or omissions that may be contained herein. As design changes are made in the software, firmware, hardware, interfaces, and communication protocols used, parts of this document may become obsolete until a subsequent revision to this document is released by ATI Engineering.

The trademarks of ATI, its parents, affiliates and subsidiaries (Aristocrat) may be used publicly with permission only from Aristocrat. Fair use of Aristocrat's trademarks in advertising and promotion of Aristocrat's products requires proper acknowledgement. Further, other names and brands may be claimed as the property of others. For the most recent listing, please request ATI document number 22-00104: Aristocrat® Technologies, Inc. Approved Trademarks List. Any questions or concerns should be forwarded to ATI Legal.
