## Buttons

| Code                | Dimensions  | Lamps     |
|---------------------|-------------|-----------|
| Large Square CG     | 50.5x50.5mm | 14v/190mA |
| Sub Miniature CP-SM | 27x27mm     | 14v/73mA  |
| Rectangular RCT     | 33.5x51mm   | 14v/190mA |

*Please note that the dimensions given, are for the Black Bezel which holds the transparent cap in the button.*

All buttons use Cherry or Micro Switches,

CG = Cherry Switch      RCT = Cherry Switch  
CP-SM = Micro Switch
